A taste of the good life

Fusing styles, techniques & flavours...

Tucked away in the south west corner of the Fowey Hotel, you will find the 2 AA rosette, award winning, Spinnakers Restaurant. The restaurant offers its diners an easy ambiance, exceptional service, unrivalled panoramic views of the Fowey Estuary, and the very best in Cornish cuisine.

The kitchen is under the direction of Head Chef Mark Griffiths. Mark and his team are renowned for their passion and pride in the local Cornish ingredients that can be found right on the door step of the hotel grounds, from the fresh fish in the Estuary to the livestock reared in the acres of rolling green Cornish farm lands. The team work tirelessly to create expertly balanced, complex, yet traditional dishes with a strong emphasis on flavour and texture.

You can enjoy a traditional Cornish cream tea, Afternoon Tea or for those wanting something a little extra special, a Sparkling Afternoon Tea; all can be enjoyed in the tea gardens, on the terrace, in the drawing room or lounge bar. The Lookout Gin Bar boasts over 35 different specialist gins, a wide choice of global and local ales, ciders, wines and soft drinks as well as a huge variety of classic spirits. The Bar has large windows allowing views along the River Fowey and out to sea, making a relaxing drink or a casual lunch here an idyllic occasion.
